Physical Characteristics

Structure	Construction	2xCAT5E
	Conductor Dimension (mm) & AWG	0.525(24AWG)
	Conductor	Solid Bare Copper
Insulation	Insulation material	HDPE
	Insulation Dimension (mm)	0.92
	Outer Shield & Material	PVC or LSZH
Outer Jacket	Outer Jacket Ripcord	Per customer request
	Operating Temp. Range	-20~75℃
Mechanical Characteristics	Max. Recommended PullingTension	110N
	Min. Bend Radius (Install)	4X O.D
	Flame Test	CMX, CM, CMG, CMR, IEC60332-1

* Custom configuration is available upon request.

Part No.: 2U5E0000000
Ver: D1/08

Hybrid Cable Series
